"Are you ready? Attention! Go!"

We invite you to the anniversary event of one of the largest, oldest and most traditional dragon boat regattas in Germany, the

25. - BERLIN CITY CUP

Saturday and Sunday, 15 June / 16 June 2024

Regatta course Berlin-Grünau

The CityCup is:

more races, more tracks, more days, more sport, more fun!

The CityCup remains:

As always, it is THE regatta where each team races ITS cup in its performance level and thus has a chance to win trophies, fame and honour in ITS cup!

The CityCup offers:

- The 200m Mixed of the first day as the core of our CityCup. Whether beginners, ambitious company teams, experienced fun teams or international firecrackers: Through the qualifying races for the three cups, every level of performance will find its suitable opponent. This means that the chances are equal for everyone and there will be exciting races until the end!
- "Beat the WannSeas!" Challenge the WannSea Dragons in 3 curious competitions and win a cash prize in addition to the radiant splendour of victory over these legends of dragon boating!
- "Night of the Danced Shoes" At the legendary dragon boat party in the athletes' supply of the regatta course on Saturday evening.

In addition, there are these options:

- CityCup teams with curiosity and ambitions will receive the following at the CityCup:
 - more routes
 - more days: besides Saturday also Sunday

Each CityCup team can register in its racing class for the 100m, 500m or 1000m at no additional cost, also for all three additional distances! (Starting places limited, receipt of the registration decides).

- Friends of the small boat have their races at the CityCup

The highlight of the Berlin City Cup is always the legendary dragon boat party in the athletes' catering area under the Olympic Café on Saturday evening until sunrise. Participation is mandatory, because dragon boat without a party is (at least) not our sport!

On the following pages you will find an overview of all the necessary information about tracks and racing classes, a provisional schedule, the usual formal announcement and the conditions of participation. As usual, you simply register on the net at <http://berlin-citycup.de>.

We are looking forward to seeing you and the 25th edition of the - Berlin City Cup, 2024.

Catering

The regatta grounds will offer numerous inexpensive catering options for participants and visitors throughout the event. Drinks are also traditionally available for a small thaler and that is important to us!

We would be delighted if you register for all routes with great interest. When registering, please keep in mind that you have enough paddlers in your team to be able to paddle in different classes one after the other.

We very much appreciate it if you can provide your own drummer and helmsman. You are simply a team and can certainly paddle better and faster. Of course, we provide drummer and helmsman if you don't have either at hand.
